

ROUND MOUSEPAD

Artwork instructions for Round Mousepad 8.25" (21cm)

Sublimation printed microfiber mousepads are printed in CMYK full color as standard. The material is white; all other colors come from the printing process.

Please provide your artwork in CMYK color profile and vectorized PDF file format. Convert all texts to paths. The artwork should have a 5mm clearance for movement during the printing process. Do not place critical objects closer than 10mm from the edge.
